## DO I NEED DEALERS OR A PIT BOSS?

You want to enjoy the evening, celebrating with your friends. Let yourself be stress free by bringing in dealers to run the games. It will help set the mood, keep everything organized and under control, and they can be in charge of determining the winners at the end of the evening. The more dealers you have will make your event run as smooth as possible. A Pit Boss is another way to have a extra hand running all the games and handling any question or concern you have during the party.

**Do you want dealers for every table?** No, a great way to save on cost of the event is limiting the amount of dealers you hire, Talk to you Casino Host about pricing for training sessions to train vounteers to help deal your event.

## HOW DO THE CHIPS WORK?

Chips are great way to count and keep track of the games for the night. Chips are included in all prices quoted in packages. How many chips do you get? You will get plenty of chips to accommodate your party, we will leave chips when we deliver the equipment. Please talk to your Casino Host to let us know how many guest you are expecting, Please look at chips example below for color denominations.

**How do I separate or hand out the Chips?** You have three options in doing this,

1. You can hand out one large denomination chip (Normally 5000 chips) that the players takes to the dealers to break down ( give them smaller denomination chips to play with).
2. What we have found is that providing the patrons with few smaller denomination chip and cup for them to travel between tables seems to work best. The cup helps the players feel like they have a way to hold on to all their chips. There are many options on what cups to use, many options online for casino themed cups or order personalized plastic cups for a memento of your party!
3. Hand everyone 1 raffle ( or Voucher) ticket that they intern hand the dealer for the chips.

## CHAIRS, TABLES AND SPACE REQUIREMENTS?

**Do you need chairs?** Chairs are optional with most equipment besides poker tables (Poker Tables you will need 11 chairs). All pricing is quoted without chairs. Chicago Casino Suppliers does rent chairs (\$7 a piece) please talk to you casino host if you would like to make any of your tables sit down tables!

**What are the sizes of each table?** When choosing a venue, you'll need to consider the space needed to fit your casino tables.

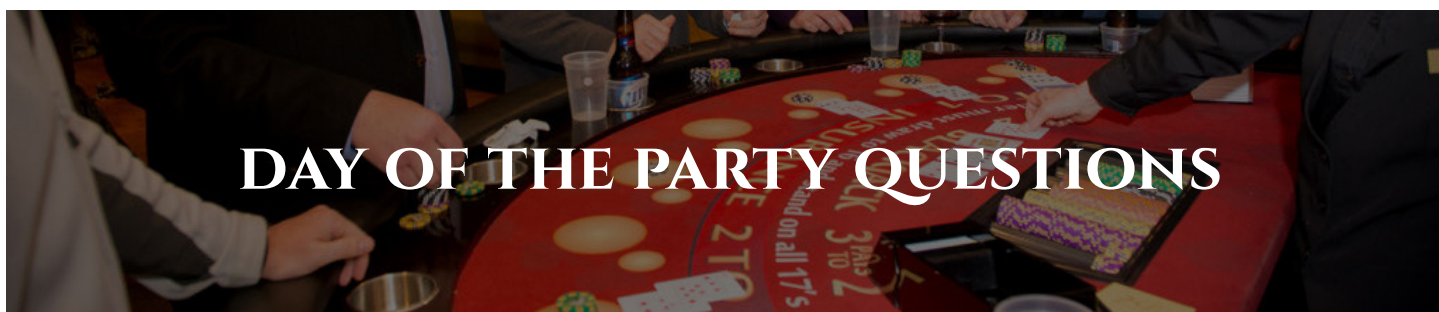

8 ft Craps 8ft x 4ft  
12ft Craps 12ft x 4ft  
Roulette 8ft x 4 ft

Double Roulette 16ft x 4ft  
Poker 8ft x 4ft  
Blackjack 4ft x 3 ft

## WHAT ABOUT PRIZES?

**What prizes are good to have?** Prizes are a good way to keep people competitive and keep their interest in the game. You don't need to spend a lot of money to have good prizes. Mystery gifts or gag gifts are always a big hit at parties, you know your customers, get something that people are going to have a good time with. Other ideas on prizes are lottery tickets, chips from a local casino, electronics ( ipod nano or dvd player... cheap electronics people always love).

## DAY OF THE PARTY QUESTIONS

### **WHAT TIME IS DELIVERY?**

We can accommodate any delivery times, typically we set up the day of the event 2 to 3 hours prior (Between 12 5pm) to the event. This is what we quote in our party packages, but please don't hesitate to ask for any delivery time that coordinate with you.

### **WHAT TIME DO THE DEALERS SHOW UP?**

Dealer will arrive together about 30 to 15 min prior to your event, they will prep there tables and be ready to deal at your party start time.

### **HOW DO I GET EVERYONE TO START GAMBLING?**

The best way to get everyone started and excited about the idea is to have one of our experienced dealers give a tutorial of the games and festivities to come. The lead dealer will address the crowd telling them how to get more chips and present the players with the prizes in which they will be playing for.

### **HOW DO WE COUNT WHO THE WINNER IS?**

Have the Pit Boss or someone from your group set up a redemption location where you can count down the chips.

### **HOW DOES THE "FISH BOWL SYSTEM" WORK?**

Fish Bowl System is a great and easy way to run your event. Have a bowl in front of the prizes you have displayed for the event. At the redemption center give people raffle tickets for every (X) amount of chips they have. Good ratio is 1 raffle ticket for every 5000 in chips people have. People write their names on the back of the ticket and drop into the corresponding bowl in front of the prize that they want to win. Whole idea is that if they win gambling they can obtain more raffle tickets which will give them better odds in winning a prize! For smaller parties we can add up everyones chips and declare a winner.

### **HOW DO I EXTENDS THE PARTY AN EXTRA HOUR?**

You can either call your casino host directly or talk to the lead dealer, we are happy to extend your party and we will quote you the price that you can pay by either credit card or check at the end of the party.

### **WHEN DOES CLEAN UP HAPPEN?**

The dealers will start clean up directly after the party, They will quietly and without interrupting the party take all the equipment with them. Pick up and clean up directly after the event is what is included in the price quoted in the party packages, we can accommodate any times please just talk to your Casino Host.
