PowaPOS 2D Scanner

Functionality meets technology with the fully integrated PowaPOS 2D Scanner, protecting your POS scanning investment by preparing merchants for tomorrow's needs today. Its advanced 2D imaging captures virtually any 1D or 2D barcode in milliseconds, making merchandise scanning fast and easy. But its uses don't stop there. The PowaPOS Scanner also captures QR codes, loyalty and mobile phone promotions, even driver's licenses for ID and age verification.

The durable, ergonomic design provides hands-free/presentation mode bi-directional scanning along with the freedom to use the scanner wirelessly for the ultimate flexibility, with up to 10,000 scans per charge.
