

## WHO WE ARE?

**Smiles Onsite Dental** will offer your school state-of-the-art, on-site oral health care services, including checkups and basic dental care to your school.

we endeavour to provide a solution to such. With school and parental consent, we offer students professional, tailored and convenient dental care, utilising the latest technologies and techniques to achieve optimum results.

We are pleased to introduce our service designed to satisfy your student's dental needs. Our service is cost-effective, user-friendly and extremely beneficial in providing oral health education and prevention.

## WE OFFER :

- Bulk - Billed assessment and treatment to students who qualify for Medicare CDBS program; this includes a dental check-up, cleaning & fluoride treatments, sealants, X-rays and fillings.
- If students are not eligible for the Medicare CDBS Scheme, we offer the student a prevention package of \$99 all claimable through their health fund.
- One-on-one Oral Dental education from our professional Dental Clinicians.
- Complimentary Dental Care Pack comprise of a toothbrush, toothpaste and other products.

**1800 2SMILE** | [www.smilesonsite.com.au](http://www.smilesonsite.com.au)

Give us a call today on 1800 2SMILE to book the Dental Clinic to come to your school!!

**Smiles Onsite** will take the trouble of visiting the dentist by bringing our dentists to your school in a van similar to Healthy Harold!

Under the Child Dental Benefits Scheme (CDBS) This Scheme is administered by the Department of Human Services under Medicare. The program commenced on 1 January 2014 and provided access to benefits for basic dental services to around 3.4 million children aged 2-17 years.

The total benefit entitlement is capped at \$1,000 per child over a two-year calendar period. The Scheme is means- tested for which the child's household must receive Family Tax Benefit A or a relevant Australian Government payment.

The Scheme provides individual benefits for a range of services including examinations, x-rays, cleaning, fissure sealing, fillings, root canals and extractions.
