LOCALEUR

The newly launched Localeur is a great resource for those who want a truly local experience in Miami. With recommendations and roundups compiled by a panel of savvy locals, Localeur will give you a true insider perspective into Miami. Whether it's the top independent boutiques or the best live music venues, all of the recommendations feature locally owned venues for an only in Miami experience.

COST FREE

MIAMI-DADE TRANSIT TRACKER

With the Miami-Dade Transit Tracker app, you can plan a trip, select favorite stops, estimate times of arrival, and trace what attractions are within walking distance of each stop. It's also useful for knowing which stops have escalators, elevators and other amenities. You'll never stress commuting on public transportation again when know you where your train is and when it's arriving at your stop.

COST FREE

PARKING PANDA

With the Parking Panda app, you can easily select a convenient parking lot, garage or valet facility near your destination and reserve a guaranteed space on the spot. Whether you're searching for same day or future parking, the app will allow you to ensure that a space will be set aside and waiting for your arrival.

Apps you should have

MIAMI AND BEACHES

COST FREE

A perfect in-your-pocket resource created by Greater Miami Convention & Visitors Bureau, the Miami and Beaches app is the perfect tool for everything Miami! has to offer—restaurants, clubs, beaches, parks, spas, transportation and more. It's a great companion for quick, easy to access details necessary for nailing down the best attractions. The app also offers a "What's Nearby" feature, perfect for exploring neighborhoods.

MIAMI INTERNATIONAL AIRPORT

COST FREE

Miami International Airport has a simple free mobile app to help passengers navigate the 7.5 million square feet of terminal space, retail outlets, F&B concessions and ground transportation options. The user-friendly guide to information about airport parking, ground transportation, dining, shopping, flights and more puts all Miami has to offer at your fingertips. A real-time flight tracking feature and essential information on the airport's 51 passenger airlines bring added value to app users. The app features a fully bilingual functionality in English and Spanish. The app also includes an 'Around Me' feature that allows passengers to pinpoint their location and view all amenities within a five-minute walk.
