

**Logo Title:** MAVEN

**Alternate Title:** MAVEN products

**Company Purpose:** We are an online retail business selling mostly on Amazon through their Fulfilled By Amazon(FBA) program. We sell a variety of products, from Pacifiers to Hats, and will likely continually be expanding.

**Ideas for Logo:** When I think of the word MAVEN, I think of a white bird – so although I am not set on that idea, I would like a bird incorporated in the logo. Could just be Wings of the bird in the V.

**Logo Purpose:** Logo will be used on product packaging, to show a brand, and on business cards

**Other Logos:** Below are Logos for other passive income stream companies I have, that will give you a good idea of the style I like. I've used COCOGOOSE as the font for FamVestor and the Vailen Venture Vlog – but don't need to reuse it.

**Below are some Examples of Logos I googled that I liked:**
