Why Professionals Love us

Get Paid More

On average, PROGILE candidates get upto 20% more for their skills. Our talent engines makes you discoverable for your niche project experiences.

Less Interviews

Experience fewer interviews with PROGILE to get the right job. Our platform matches you against your specified project experiences, industry exposure and core PM skills.

Transperency

In order to promote win-win scenarios for our clients and consultants, we provide 100% transparency in all our services.

Make Better Decisions

Employers who have considered all their options and carefully made a decision to join us understand that we bring the highest caliber candidates for the jobs.
