

Located on Wongsiri Rd. in Koh Mak, 100 Meters from the beach. You'll find us on the Riverside Resort property, down the street from Makathanee Resort. The Falling KoKoNut is a true island shopping experience. The boutique itself is a work of island art worth of a visit, crafted by Koh Mak Island artists with locally harvested woods and organic materials. The friendly staff at the Falling KoKoNut will welcome you and be happy to assist with whatever you're looking for, a Tshirt to take home, a villa for the week, a special request (Ice Cream Birthday cake and Champagne maybe), Travel and tours, or just a way to pass some time browsing our hand crafted items or our large inventory of light and colorful island fashions
