This is a very special facial toner unlike any other. Comprising the purest essences from fruits and flowers, our Revitalising Tonic instantly restores and replenishes your skin to its natural moisture balance post-cleansing, thus prepping your skin for maximum nutrient absorption. To boost its skin toning properties, we have harnessed the power of apple stem cells to imbue skin with vitality and plumpness. Soothing and balancing, Revitalising Tonic can also be used between facial washes as a quick pick-me-up for your skin. For guys, try it after shaving for that much needed skin calming and freshening!

BENEFITS

- Removes any residue of hard water
- Balances and refreshes the skin
- Improves skin complexion with luminosity and firmness
- Boosts skin's intrinsic ability to rehydrate
- Helps to enhance skin's ability to regenerate, protect and preserve skin cells
