

Thin out ^{all} lines

Use text
from other
logo

Use colors
(green | grey) from
other logo

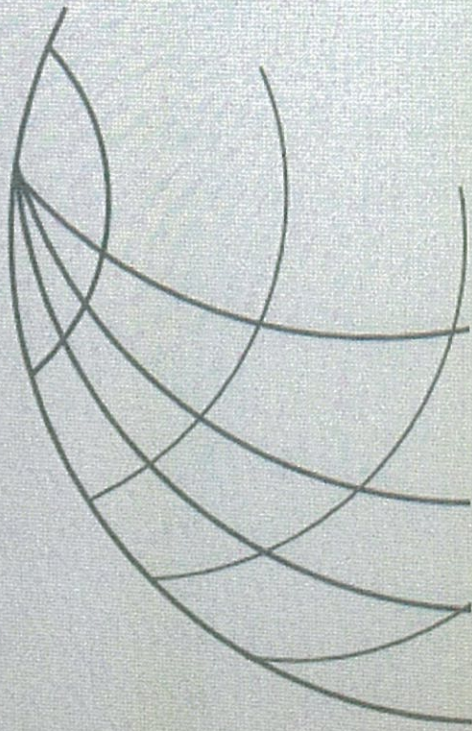

Green
Grey

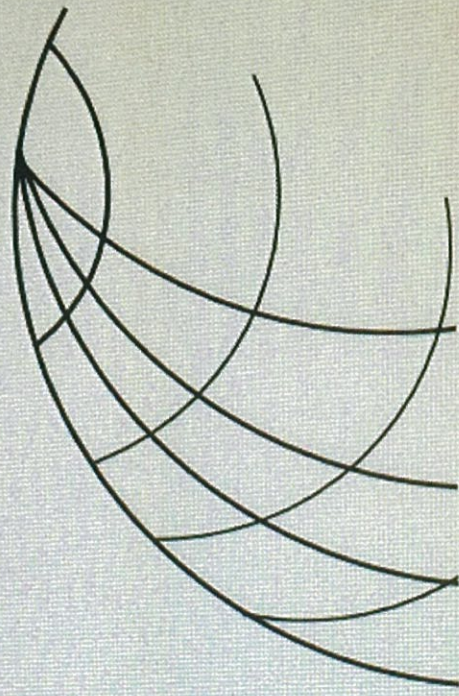

* Do a black
& white one but
using the style
below once updated

← Add in line to
separate Global | Mining

* Then reverse colors
↓
Global
↑
Green
Mining
Civil
Grey

GLOBAL
mining & civil

GLOBAL
mining & civil

- * Try different text (trmm2-gomefly.zip)
- * Change to Green, then reverse colours for second option
