

Safe & Effective 5-in-1 Pet Wash

KEY BENEFITS

This natural-based formula cleans, conditions, moisturizes, deodorizes and detangles. It effectively lifts dirt and conditions your pet's coat. It even helps to detangle longer coats. Finally, our all-in-one formula moisturizes and locks in water, to help keep the skin hydrated and healthy. This professional strength formula can be used on all breeds, and on puppies over 12 weeks.
