Description:

We need a modern single page web design that focuses on financial/lending industry software solutions.

#### SECTION HOME

This should have a background related to financial software and should have the below text "Transforming Lending on Salesforce platform" with the "REQUEST A DEMO" button below the text.

#### SECTION COMPANY(center and top)

Financial Spectra is a Salesforce ISV partner company which provides PRIZM Lending Suite, a cloud based application for the lending industry.

We provide highly flexible, configurable, and customizable features that harness the needs of both traditional and FinTech lenders.

#### Mission (left and below Company)

Our mission is to boost the lending industry with innovation in financial services technology. Our lending suite helps our customers to amplify their business by launching unique lending products easily and quickly.

#### Team (Right and below Company)

Financial Spectra was founded in 2016 by a team of lending and salesforce experts. With the experience of more than a decade in lending industry, we are committed to deliver the product that cater all lending needs.

#### SECTION PRIZM

Grow faster with next generation lending platform PRIZM

PRIZM Lending Suite is a cloud based, fully automated, customizable and comprehensive lending solution on Salesforce platform, the World's #1 CRM system.

PRIZM allows lenders to quickly launch lending programs with easy to configure tools and minimize their go-to market time, which helps close more deals and assists their portfolio in growing faster and larger.

PRIZM supports multiple lending products like Secured, Unsecured, Direct, Indirect, Consumer, and Small Business loans, as well as providing end to end management from Origination to Servicing to Collection for all lending products.

## SECTION ECOSYSTEM

An end to end lending lifecycle solution built on force.com platform and fully integrated with Salesforce CRM.

### Design

Outer most circle - Salesforce -- this is the cloud (you can see the logo style from <https://www.salesforce.com/>)

Level 1 -Inner PRIZM Lending Suite -- within the cloud, in prizm shape.

Divide the prizm shape into three equal parts with some design

part 1) Origination

part 2) Servicing

part 3) Collections

## SECTION FEATURES

Refer to the attached image.

There should be a prizm shape with the text (PRIZM Lending Suite) and the circles around it (refer to the attached image)

the circles should be showing the below features and the circle should have relevant images.
