

Sadie Thompson Inn

**Sadie's Hotels** offer comfortable accommodation on the rim of Pago Pago Harbor on Tutuila Island in American Samoa. With two hotels, **Sadie's By The Sea** and **Sadie Thompson Inn**, and two first class restaurants to choose from, we offer a wide range of accommodation and amenities for business and pleasure travelers. Sadie's By The Sea, formerly the original Rainmaker Hotel, is the only full service, beach front resort in American Samoa, and **Goat Island Café** offers casual waterfront dining with harbor and mountain views. Sadie Thompson Inn, setting of Somerset Maugham's short story "Rain", offers budget priced rooms across from the marina and boasts the best restaurant on the island, **Sadie's Steak House**. Both hotels are convenient to the business and government centers in Fagatogo and Utulei, Rex H. Lee Auditorium and the Port of Pago Pago.

## SADIE'S BY THE SEA

*Only Beachfront Resort in Pago Pago*

**Sadie's By The Sea** is the only full service, beach front resort in American Samoa, located in the heart of the government and business centers of the island, and close to many tourist attractions. Sadie's by the Sea is a fun, charming resort with first class Polynesian service. Lush forested mountains surrounding Pago Pago's deep blue harbor complete the view from every room. Our private beach and clear warm water, just a few steps from your room, are perfect for swimming, snorkeling and kayaking year round.

## GOAT ISLAND CAFÉ

*Good Food. Great View.*

Offers open air, poolside and harbor view dining for breakfast, lunch and dinner. Oftentimes, you can see a sea turtle or two swimming gracefully by. Our onsite waterfront restaurant is a popular local place to meet for a meal, drinks or a cold Vailima (a local beer, brewed in Samoa and strong, like Samoans). Try our own Koko Samoa Cake or one of our Sadie's Signature Cocktails: *Sassy Sadie*, *Sadie's Sunrise*, *RainMaker*.

*\*\* As the story goes, supposedly, the U.S. Navy brought goat(s) to this part of the islands.*
