Reviews to choose from:

Chris T. Says:

"Was quoted unnecessary repairs by another shop, Rich at MiniWorx gave an honest assessment and saved me the money of doing unneeded repairs, and turned it around in a day. Highly recommend these guys."

David B. Says:

"I gave MiniWorx 5 stars, but I would give them 10 if I could. These guys really understand Minis, but more importantly, they understand Mini drivers! "

Lani L. Says:

"Professional service. Very courteous and explained things in great detail. Completely answered all questions."
