INFLATABLE MOVIE SCREENING

By: 

space for image.

 of all our
inventions for
mass communicat-
ion, pictures
still speak the
most universally
understood
language.
— Walt Disney

66 I enjoyed watching
<movie name> with
my family. It was nice to
get away from the usual
malls and bond together.
my kids loved it! 99
—Joan Lim, housewife.

WHY CHOOSE US?

can incorporate cinema/
film reel design in
the subheaders?

space for image

1

we are pioneers in this field.

we have hosted outdoor movie screenings since 2008.
Till date, we have completed xx movie events.

2

we are able to screen Disney movies.

we have partnered the only film licence company
that has exclusive rights to screen Disney movies
in DVD and other formats.

3

we provide ~~high~~ quality, weather-proof screens.

Made from the same material as cinema screens,
our high quality PVC screens enhances images and
ensures viewers of an immersive cinematic experience.
If you are holding your event outdoors, don't fret
for our screen is weather-proof.

WHAT TO EXPECT

Are you planning an event to ...

create brand awareness
