

At BuzzHub, we believe you have the power to change the world, without changing your behaviour.

Trade drives progress and boosts economies, while providing what you need to live and thrive. What if we could channel its power into projects that dramatically improve our world, from the grassroots up?

**[ Create a project or list your business ]** Become a changemaker & power it with trade

BuzzHub brings businesses and consumers together in pursuit of a worthy goal:

to transform your community while you buy, sell, and socialize online. With a small tweak to how we engineer trade and perceive value, each of us can create the change we wish to see, one community to another.

**[ Create a campaign ]** invite your community & trade your way to 'Make it Happen'

BuzzHub – the world's first social enterprising network.

A revolutionary concept of giving as an effortless daily event, was conceived. In a world where buyers and sellers become changemakers, and everyone's empowered to make a difference.

**[ Buy or Sell ]** and trade to change
