## Previous employment

### Sport Producer

[Great Big Events](#)

March 2009 – April 2013

My role as a Sport Producer was to program, produce and direct (Show Call) all the Sports Presentation elements on match and event days for high profile clients including the Australian Rugby Union (the Qantas Wallabies), Surf Life Saving Australia, Football Federation Australia for the Qantas Socceroos, Matildas and Ollyroos, Swimming Australia, Qatar Basketball Federation, Cricket Tasmania, the Hobart Hurricanes and for national and international sporting events, Organizing Committees and Federations.

I controlled teams of stage managers, artists, vision staff, and audio engineers and liaised with major stakeholders including venue management, venue vision staff (big screen), host broadcast, rights holders, competition management and controlled budgets of more than \$500K.

If not producing these events, I was entrusted to showcall the biggest and most prominent of events for ceremonies, congresses, conferences, concerts, summits and awards nights; ranging from multicultural events in remote communities, to multi-million dollar opening ceremonies broadcasting live to global audiences.

Over the last two years in this role, I rolled out [Fancam](#) – a truly unique social media immersive event day experience for clients including major events for [Emirates](#) around the world.
