

Let your property work for you!

Guaranteed long term income:

With ZAG Outdoor Media, your property will work for you. By leasing your commercial or industrial zoned property to us, we can provide you with a steady source of income.

All of our signs are virtually maintenance-free and can maximize a return on your property investments by increasing the potential re-sale value.

No investments required:

ZAG Outdoor Media is responsible for ALL costs including installation, illumination, and maintenance.

Fully Insured:

ZAG Outdoor Media holds you, the property owner, harmless from any claims or damages for bodily injuries and physical property damage caused by our sign structure or employees. We maintain liability insurance to cover all losses for which we may be responsible.

The amount we will pay for leasing your property:

These factors will determine the amount paid monthly to the property owner.

- Type of sign
- Traffic count
- Sign visibility
- Number of existing signs in the area
- Advertisers demand for coverage in the area

Install

We will custom design each structure to both minimize ground space and ensure that there will be no inconvenience to any ongoing operations. We will ensure that the installation will cause as little disruption as possible.

Our structures are safe and meet the most rigid engineering requirements. We are responsible for ensuring that our structures are fabricated and erected in compliance with local, state and federal regulations.

DESIGN AND FINISHING SPECIFICATIONS

MONOPOLE

These billboards are constructed with a tubular steel support, tubular steel framing, and a double faced display panel. The foundation is concrete and each billboard varies in size depending on your custom design.
