NO CONTRACTS • OWN YOUR OWN CYLINDERS

Gasweld are able to sell Cylinders outright. It makes sense for most people to own their cylinder rather than pay rent!

No need for deposits, contracts and ongoing rental costs.

Re-fills are done with our simple speed swap system. We take your empty and give you a full one in return. Note: only SpeedGas branded cylinders can be swapped.

Owning makes sense for infrequent users all the way up to large commercial clients. Rental costs continue forever and will cost you far more in the long run.

Buy or swap bottles at any Gasweld store. Open on Saturday mornings for your convenience, unlike other Gas suppliers.

**Never pay
rent again**
