

Kinship Ritual

With Annie Bolitho

*Unfailing reality. We all
encounter the end of a lifetime.
None of us can change that.*

Kinship Ritual

**Unfailing reality. We all
encounter the end of a lifetime.
None of us can change that.**

*But we can change the ways we
meet end of life.*

*We can get together to talk and
explore. We can turn ceremonies
into rituals. We can hold vigils
and memorials. We can meet it
all face to face.*

*Consultations • Speaking
Celebrant • Workshops • Vigils*

Kinship Ritual works with you to co-create experiences that start from within. The ritual can begin now with your preparations.

Nothing eases the burden on others more than having clear choices to follow.

Annie Bolitho is a skilled facilitator with many years' experience. She is a perceptive listener and will help you reflect on your values and plan ahead. Annie can be alongside you to create a great funeral or memorial. She is a professional writer and scribe, with a keen insight into the power of stories. Annie offers workshops with different formats and themes exploring the fullness of life.
