home made & farm fresh since 1999

The Lab Experience

**More than just an ice creamery
- it's a fun education facility!**

The 'lab' area will accommodate roughly 26 people per session, 30- 45mins for the experience.

This experience will provide an informative educational talk on the journey of ice- cream from cow to cone, with the opportunity for some hands on ice cream fun. Linked to the Australian Curriculum areas of;

1. health
2. science
3. technologies
4. maths

and tailored specifically for your group's learning requirements.

Commencing group activities in February of 2017

Learn, churn, experiment, taste!
