

Building a Vibrant Generation of Catholic Couples born from 1946 - 1964!

# MARRIAGEBOOMERS

## A DAY OF REFLECTION

### An Invitation from our Presenters:

MARRIAGEBOOMERS is a call to champion marriage and advocate for a generation of marriages who came through the 50's & 60's and today are still fighting the good fight, finishing the race, and keeping the faith (2 Tim 4:7)...and Retirement is upon us.

*"As we immerse ourselves in this last part of our lives together, we might ask 'How am I doing at living and loving?' We can, together, renew our passion and purpose and re-direct our energies to a cause worth fighting for -- US! What if we join God's team and show the next generation what living and loving is all about, even if it means we have to learn a few new things first. We'll let God inspire us through prayer and the Sacrament of Reconciliation."*

*"We don't come as experts, if it were only that easy. We offer our marriage where we've spent years learning to be married, and a long history of building strong marriages, mostly our own. Like you, we've faced and worked through many a challenge. And, we have a passion...we want to invite you to join us as we show the next generation what living and loving is all about. Together, we'll find ourselves retiring 'TO' something, and not 'FROM' something. And, we promise, you just might fall in love all over again!"*

The Gramers are founders of MarriageBuilding USA, Inc., a non-profit that strives to help Catholic Parishes become MarriageBuilding and foster a culture of marriage rooted in God's Plan. They have spent over 35 years in Marriage and Family Ministry, mostly as Directors for the Diocese of Rockford, IL. Lorrie is past-president of the National Association of Catholic Family Life Ministers. Don is a Vietnam Veteran. They were instrumental in the work of the National Pastoral Initiative for Marriage of the US Conference of Catholic Bishops and both have Masters in Family Ministry. They have been married for 44 years, raised seven children and are now enjoying immensely their 17 grandchildren.
