## High-octane comedy questioning the world we live in!

---

Shady Los Angeles producer, Max B, will do anything for a ratings bonanza, rolling out the most extreme reality show ever: **Who Wants To Be A Terrorist!** Stealing from popular formats (*Armed Apprentice*, *Queer Spy for the Terrorist Guy*, *Blasterchef*), three Judges set out to find the amateur master-terrorist through a series of out-of-control challenges and eliminations, using interrogation and even torture. But they get way more than they bargained for.

# 10 TERRORISTS!

“like Kubrick’s film  
(*Dr Strangelove*),  
it’s damn funny,  
the sort of qualities  
that money can’t buy”
