WOODSTOCK

2012 SHIRAZ

Woodstock wines are created by both Scott Collett and Ben Glaetzer: Scott in the vineyards, Ben in the cellars and jointly in the tasting room. Our philosophy is to capture the essence of McLaren Vale, ensuring absolute quality at every stage from the vineyards to the bottle before you. The warm, sunny days and cool nights of the 2012 vintage rapidly ripened small crops of excellent quality fruit. Better grapes from the Woodstock Estate and surrounding vineyards were selected for this wine. Vibrant in colour and intense in flavour, this is a fine expression of a McLaren Vale Shiraz that we are rightly proud of. Up to 8 years of cellaring will see this wine further develop and evolve with the typical mouth-filling richness of McLaren Vale.
