

Bulk Billed Eye Tests!

Our fully qualified optometrist will assess your eyes for best vision and eye health including screening for **Glaucoma, Cataracts** **Macular Degeneration** and other eye conditions.

No more Anaesthetic Drops!

Our new tonometer **ICare** allows accurate and easy eye pressure measurement with no need for anaesthetic drops.

Visual Field Perimetry

Visual field assessments are critical for Glaucoma diagnosis & progression and field losses related to neurological problems.

Visual fields are **Bulk-Billed** & the printed results are provided for your records/specialist.
