

WELD RE-5J VISION IN VIEW

What we want the future to hold for our students.

We want Weld RE-5J students to be:

- Able to achieve high expectations
- Life-long learners
- Set up for success, prepared for college/career
- Proud of where they came from and where they went to school

What we need to do now to prepare Weld RE-5J students for this future we envision.

Shine a light on our students and schools

Cultivate a collaborative culture

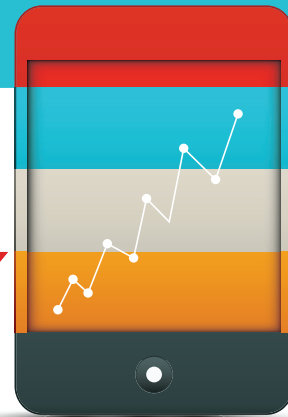

Align curriculum, instruction, and professional development

Conduct continuous improvement conversations

Energize and engage our entire community

We aspire to be a district that:

- Is guided by shared goals and a shared vision for educating our children
- Demonstrates excellence at every level
- Is fiscal and resource-responsible
- Seeks and invests in the most capable and talented staff

What our students need to be doing in their classrooms and at home.

Classroom

- Gaining 21st century skills
- Owning their learning and educational experience; knowing what success is and how to achieve it
- Embracing challenges
- Encouraged to set ambitious goals

Home

- Understanding the value of education
- Feeling their parents/family are engaged in their education
- Being encouraged and supported to reach their goals
- Taking pride in their community

What our schools need to do to get ready.

- Improve student achievement
- Collaborate

- Embrace a growth mindset
- Work with students and their families to identify and set goals
- Address the distinct learning needs, interests, and aspirations of students
