Testimonials

"I worked with Bryson in opening the Dallas market for LYFE Kitchen. He picked up a difficult situation and rescued three excellent locations for us. He had the determination and ability to pursue the transactions, work the brokers and owners, as well as the client, to make sure the deals closed. He didn't stop there, Bryson continued to find locations, qualify them and present them. Bryson is capable well beyond his years and experience." -Greg Semos, Vice President of Development, LYFE Kitchen
