

## Current Screen:

New design to **OMIT** all these small boxes

Replace this frog with a nicer image or button. When user click to this image, it display a message.

These 2 buttons is for employee to clock IN and clock OUT, please replace them with nicer buttons!!

New things to add:

We would like to have a notification for user to view:-

- > Who's on leave (vacation)

If possible also, to be informed of colleagues birthdates/new joiners/resign colleagues

Display a TO-DO List

- > Leave Pending Approval

- > Claims Pending Approval

- > Overtime Pending Approval

Our software logo:-
