MS Center of SW Florida

Invites you to...

Sunday, February 21, 2016
5:00pm

Quail West Country Club
5950 Burnham Road
Naples, Florida

**All to benefit the clients of
the MS Center of SW Florida**

Do you know someone with MS? If so, you may know that MS strikes individuals in the prime of life. Most are diagnosed between the ages of 20 and 40. Symptoms of MS range from severe fatigue, to loss of vision, extreme weakness or paralysis of the limbs.

The **Multiple Sclerosis Center of Southwest Florida's** (MS Center) mission is to improve the quality of life for those in Southwest Florida who are affected by Multiple Sclerosis. There is no cure for MS, but the MS Center is here to provide services that help people manage the everyday pain and challenges they experience while battling this devastating disease.

We serve over 200 individuals in SWFL who have MS, through a comprehensive wellness program, support groups, and educational activities. We provide therapeutic services such as massage therapy, acupuncture, equestrian therapy, and mental health counseling. The MS Center covers the cost of the services, and our clients pay a \$10 co-pay per visit.

Our funding comes from donations and this annual fundraising event. The MS Center is a local organization and is not part of any national MS organization. Therefore, your support is important! **Join us for this fun evening to support a very important cause!** Hope to see you there!

Sunday, February 21, 2016

Quail West Country Club
5950 Burnham Road • Naples, Florida

Join us lakeside at 5pm

Sample bourbons and wines, enjoy live music, cocktails, cigars and hors d'oeuvres, and bid in our silent auction.

At 6:30 move indoors to the ballroom for a wonderful buffet dinner and exciting live auction.

Get your groove on with music by Deb & The Dynamics!
