Bene Vita
THE GOOD LIFE

The Mallee Valley provides that ideal combination of rich limestone soil and Mediterranean climate with long summers and cold crisp winters producing a premium product second to none.

The Sinolea Method

Full flavour, full benefits - In the best of traditions

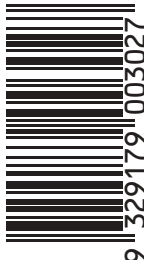

The Sinolea Method is a cold press process that produces an ultra premium quality oil. A unique traditional 'cold extraction' method using the gentle natural force of gravity to produce a fuller softer flavour with rich fruit characteristics, ideal for cooking, salads and dips. Additionally it assists to maintain the health giving antioxidants (Polyphenols). The Olive Oil is naturally extracted within hours of harvesting ensuring a premium quality flavour and longevity.

Store away from direct sunlight at room temperature.
