

**GRØNNE
MARKER
STÆRKE
RØDDER**

We sometimes refer to the project as GMSR
The rather long title could be more simple
if it is set up in a box with the abbreviation
visible in different colour

**Grønne
Marker**

&

**Stærke
Rødder**

We don't know what to do with the "&"
it could be transparent in the background
as above or put in discretely somehow. It
could also be a small "og" (danish for and)
after the word "marker".

This is the logo of one of the partners of the project.
Colours could be similar
