Introduction - Concept Summary

- We have chosen the most consumed and loved hygge foods and made them as nutritious and delicious as possible
 1. Organic Unique Low-Acid Coffee charged with superfoods (own brand)
 - Loose-weight and ground on the premises or ready packed 250g or 1 kg (whole beand, filter or fine ground)
 - Primarily three different coffee blends for different palates
 2. The most nutritious teas in the world
 - Turmeric Teas and pre-blended instant latte blends
 - Superfood tea blends e.g. Moringa tea
 - Yerba Maté teas and tea drinks
 3. Gluten Free Cakes, bread and desserts
 4. Other hygge foods
- How to **supercharge** your comfort foods instead of "super sizing" - how to add superfoods to traditionally unhealthy foods
- The Concept consists of following parts:
 - Convenience Shop at Torvehallerne
 - Convenient shopping universe and online at www.rawhygge.com and www.livingearth.nu web-shop including monthly subscription system
