

Introducing

Automatic vs Manual Money War

Hello fellow income seeker,

Like you I am looking for a product that will help me make money. Like you I also know that if I am working alone I may not be able to make the kind of money that I need to sustain me. That is why I am inviting you to join Automatic vs Manual Money War.

Within this program you will find people working together to recruit others for the greater good of everyone on board. With this model everyone will only have 4 people placed below them to get into the 2 different tracks (see flyer). Then for the Manual track you will have 5 people that will be assigned to you that will follow you into each step. If people are referring more than 4-5 new members, then they will be helping build beneath other team members. That is where the teamwork comes in.

If you are concerned about not being able to refer 2 people much less 4 then I have a solution for that. There are 3 different levels in which you can come in. It is my personal belief that everyone can afford the highest level. But most people will come in at the middle. The 3 levels are called Neutral, 2 Wheel Drive, and 4 Wheel Drive and are outlined below:

Neutral: \$5 you are entered into Auto VS Manual program and need 4 referrals to move into the 1st gear of both the Auto and Manual tracks.

2 Wheel Drive: \$15; \$5 enters you into Auto VS Manual program; \$10 enters you into the 1st gear of the Manual Track (5with10). You will receive 3 entries that will be eligible to go through the Auto Track. You will only need 2 referrals per entry to enter them into the Auto Track. After 6 referrals you will have 3 entries that are going through the Auto Track.

4 Wheel Drive: \$25; \$5 enters you into Auto VS Manual program; \$10 enters you into the 1st gear of the Manual Track (5with10); \$10 enters one entry into the Auto Track. You will have 4 extra entries that will go through the Auto Track for a total of 5. Each entry will enter the Auto Track after 2 referrals per entry are placed below them.

Whether you come into Neutral or 4 Wheel Drive, you will still qualify to earn a great amount of money. Remember that this program will be about teamwork and helping each other out in Mail Marketing. It has been my experience that everyone for themselves gets us nowhere except in a lot of programs that don't work in and of themselves without teamwork. That is why you will see in this one that you are being placed into other programs ran by different monitors that fit this model.

I hope that we can work together to become financially free.

If you have any questions about how this Money War will play out feel free to contact Daniel at 608-929-1229 or email him at fivewith10@gmail.com.

Thank you and God Bless,

Daniel Menard
