

Follow Him T Shirt Brief

We are looking for a design for a our Christianity apparel brand. "Follow Him"

Our message is " Follow not me HIM" We would like this to be done in a creative trendy style. We would like if possible for the the design to be used on other products such as T shirt, hoodies, bags and pillows. But the first objective is to create a strong tshirt design.

I have attached some sketches of our idea for a emblem which you can recreate for use in your design. See image 4.

Please see some style that we like.
