

# GO SOLAR

**GET GRANDFATHERED BEFORE THE NEW APS DEADLINE**

## We Make It Easy

- **\$0 Down**, no upfront cost.
- **Save up to 90%** off your utility bill.
- Protect against inflation & energy costs increases from your Utility Company.
- Provide clean, reliable energy for your family **powered by the sun.**

### How it works...

Your solar system allows you to **generate your own clean power** and COSTS LESS than your current utility company. Simply pay by the month, like you do now...but at a LOWER rate and **START SAVING IMMEDIATELY.**
