Big Game Golf

The only comprehensive Golf Networking and multi-group Gaming platform you'll find.

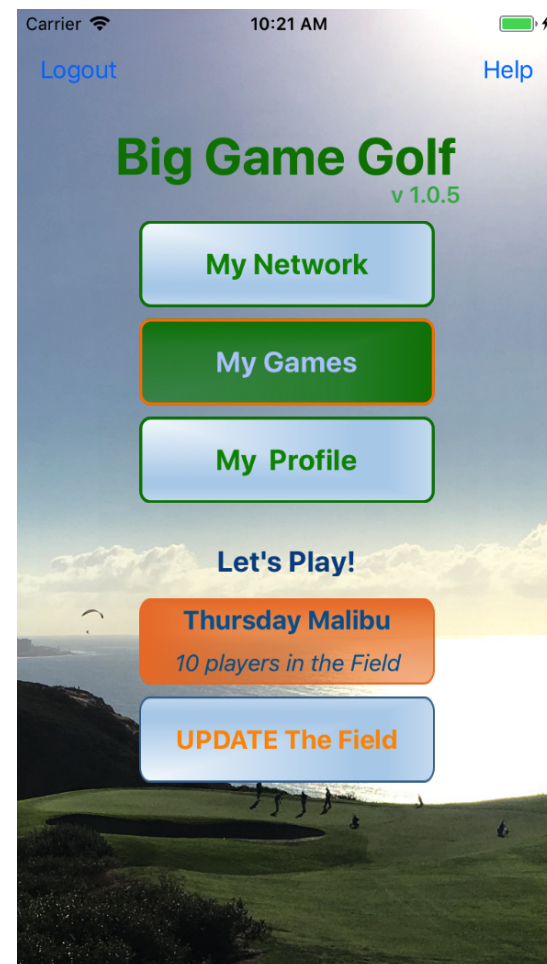

Built by golfers for golfers. Every screen, every feature has come from the field up. BGG is the only golf app that's been specifically designed and built for the GOLFER. Not for the advertising, not for annoying pop-ups or ads, not for constant and useless feeds.

We built BGG for the golfer to get more fun out of the game they love. Easily find, connect and grow a great circle of golf buddies.

Connect

Connect to other golfers who share your same passion for the game.

BGG “Communities” are your view to other golfers.

Join a Community in any of the following ways:

1. Use a Promo Code when registering.*
2. Search Communities by zip code and request to join.
3. Be found. Community Managers search for members and send invites.
4. Create and manage your own Community.

Join 1, 2, 3... as many Communities as you see fit.

** Contact BGG if you'd like help with registering groups.*

Get in a game!

A few ways in BGG to do that:

1. Search for a game. You can see upcoming games and descriptions setup by people in your Communities. From the BGG app, send a request to join the game.
2. Respond to game invites. When a game is setup, invite texts are sent to the members in the game admins game roster. Reply yes, and BGG automatically puts you into the Field.

3. Setup your own game and invite players from your communities or your phone contacts.
