

DENTAL SERVICES AT YOUR DOOR STEP

Dear Principal,

We thank you for the time you are taking to review our mobile dental service. Here at Australian Mobile Dental Care (AMDC), we are committed to **'bringing the dentist to you'**.

We are **passionate** about providing **Bulked Billed** Oral Health Care to Primary and High Schools. We also service Aged Care Facilities, Corporate Companies and Aboriginal Communities.

Within New South Wales, in the past year, we have serviced over 150 schools, and treated a total of 22,014 students so far.

We are pleased to introduce our service designed to satisfy your student's dental needs. Our service is cost effective, user friendly and extremely beneficial in providing oral health **education** and **prevention**. We offer;

- Free Bulk- Billed assessment and treatment to students who qualify for Medicare "Grow up Smiling" program; this includes a dental check-up, cleaning & fluoride treatments, sealants, X-rays and fillings.
- One-on-one Oral Health education from our professional Dental Clinicians.
- Complimentary Dental Care Pack comprising of a toothbrush, toothpaste and other products.
- Students also go into the draw to win various prizes drawn after the clinic's visit to the school.
- Provide a referral to the student's regular dentist for further treatment they may require.

AMDC operates within accepted best practice models, and as such, is familiar, and without exception complies with the relevant legislation, regulations, Codes and guidelines governing dentistry, including but not limited to, the Dental Code of Conduct for Health Practitioners by the Dental Board of Australia.

Our mobile dental clinics feature state-of-the-art, oral health equipment and machinery. Including Digital **Dental X-Ray systems** that feature low dose radiation, as well as Australian Approved **Child Safety Standard Wheel Chair Access**. (Please see our website for more information)

Thank you for considering AMDC, my team and I look forward to providing this free service to your school and most importantly, **'bringing the dentist to you'**.

Kindest Regards,

Jessica Olivier
