

Cedar Dining Services Management

Cedar Dining Services Management wholly owns and/or manages a chain of restaurants and lounges within the United Arab Emirates. Established in 2011, Cedar Dining Services Management is one of the few hospitality management groups within the United Arab Emirates dedicated to creating and managing dining experiences for patrons within the UAE, to ensure that each visit to any one of its restaurants is an experience that is unique and memorable.

Realizing the diversity of cultures within the UAE, and specifically in Dubai, Cedar Dining Services Management pays close attention to include a place to suit the different tastes, from the Arabic, to the European, from the casual outing, to the fine dining.

As such, the variety of restaurants under the group take its patrons through a journey of experiences, from casual lunches and dinners at trendy locations, to exquisite fine dining which ignites the palettes with creative luxury dining and kindles the pleasures with music and entertainment.

Uncompromising food quality, freshness of its supplies and ingredients, and hygiene in its kitchens throughout all its venues, Cedar Dining Services Management does not surrender its drive for un-paralleled high standards of service. As such, the management team at Cedar Dining Services Management is hand-picked, bringing together a combined experience within the UAE dining industry in excess of two decades, with management experience that includes having spear-headed as early as 1994 multiple successful restaurant openings in Abu Dhabi (UAE), Dubai (UAE), and Beirut (Lebanon), all of which till date, stand as landmark restaurants.
