

I like the clean tabs seen above for services we offer Please include

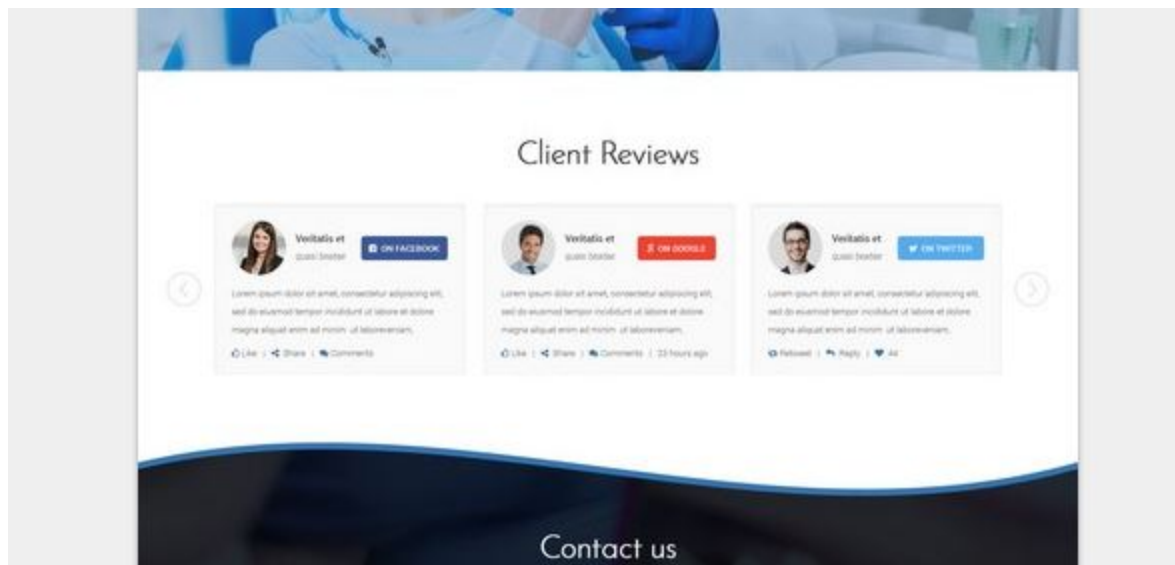

I like the language tabs seen above

Please include the curve and sliders seen above

I like this box for the map please include but higher up on the website in clearer view

I like the client review tabs here for the facebook and google feeds

I like this curve and the circle with about Dr. Gabriel Joel

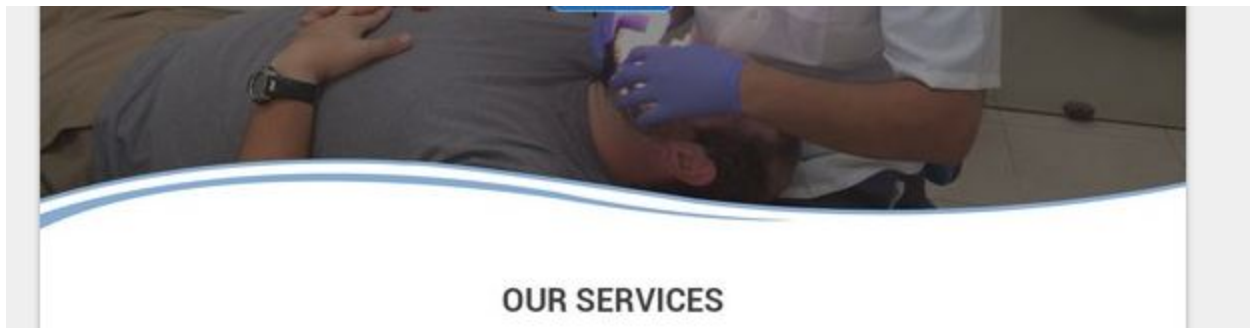

I like this as well

Please include this google review button much larger and in the beginning of the website higher up

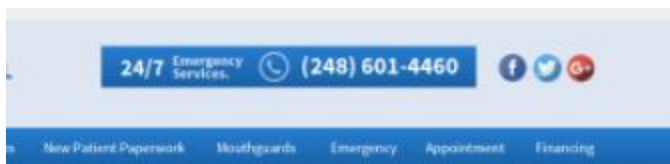

I like the way this logo is with the stripe. But I need the logo to be on the left side of the page and the stripe across the rest not the logo in the center

I like the curve please use

Please place a facebook review button much larger and higher up on the front page

Need large phone number and hours of operation at top of website and large
