Sweet Rustic Bake Shop About Section - Draft #2

Hey there and welcome to Sweet Rustic Bake Shop!

My passion for baking at home for my children has flourished into my new bake shop. I guess you can call me a *mom-prenuer*. I'm so thankful for the great support of my husband and children — that's all of us on the right.

At Sweet Rustic Bake Shop, our treats are made with two very special ingredients moms know very well: love and joy. Whether you're in the mood for scrumptious cookies, heavenly bars, fluffy marshmallows, delectable cakes or the crowd favorite — home-made ice-cream sandwiches — Sweet Rustic Bake Shop is here to serve you with love and joy. Everything we bake is made with the freshest and finest ingredients, including Pernigotti cocoa and natural fruits. It's all custom made too, so I only do small batch baking and don't take short-cuts. Oh the joy of bringing sheer delight to the experience of enjoying yummy treats.
