

Who are we?

We're Country Gate Playhouse, a small community theater in Belvidere, New Jersey. We've produced a season of 5 plays and musicals for the last 40 years. Learn more about us at CountryGate.org.

What do we need?

We need 5 separate poster/logo designs for each of our 2018 shows. The designs should compliment each other, but also be able to stand alone. We're imagining that the color scheme for all 5 should work well together.

Each show should be a unique interpretation from the commonly seen graphics with the title of the show.

The designs will be primarily used for web, but should be high enough quality for up to a 11"x17" poster if needed.
