Nautical Air Forwarding Ltd business model is tailored to addressing the cargo delivery challenges faced in the industry in the Bahamas. Our aim is to streamline LCL cargo delivery times and rates in the Bahamas by combining the essential services required for import/export under one umbrella. Below outlines our scope of services.

Nautical Air Forwarding Services Ltd, provides the package deal for Ocean Freight consumers. Door to door or port to port. For your containers, vehicles, heavy equipment, boxes, just to name a few. Using Nautical Air provides the opportunity for LCL cargo to be accessed even faster as we can utilize our air freight parcel shipping for efficiency.

- **Free Consolidation** - We know how important it is to have just a one stop experience. That's why we offer free consolidation for all ocean and air freight cargo to reduce multiple collects and shipping costs. We offer a seven (7) day free consolidation period, which gives you time to stack your shipments together for one low cost.

- **In-House Brokerage Services** - Ocean freight Customers should love the fast turnaround time with same day clearance and delivery, as brokerage is the speed factor in clearance for shipping customers. With using Nautical Air as your preferred forwarder, allows brokerage services to begin long before landed in Nassau as our brokerage services are done in-house.

- **Delivery/Handling** - Nautical Air has an array of transport options to meet any delivery/handling services. Whether head or fork-lift we are able to meet Our friendly and highly trained personnel will deliver your goods using our wireless receipt system, to assist with efficiency and accuracy.

- **Domestic Shipping Services** - From the store to your door! Our Family Island customers, we are here to cater to you. Our services are also inclusive of mail boat deliveries/airport courier service.

- **Export Services** - Whether you're returning goods to a U.S vendor, or sending a vehicle for service/ repair. Nautical Air export services commits to providing the total package with handling everything from start finish.

- **Moving/Packing** - Here is where we diversify our services to not just the logistical needs of our locals but also to assist with moving and packing. Residential or cooperate clients are welcome to have us crate, shrink-wrap, or pack your goods when you're ready to relocate. Scheduling is required for pricing.

**Nautical Air Forwarding** is committed to transparency in the cargo delivery process. We have demystified the billing delivery format for LCL sea freight cargo to ensure that our customers are readily able to accurately assess their shipment costs. Listed below are the average shipping that our clients can expect to see.
