

VictoriaEnso

BRAND PROFILE

We are proudly based in Singapore and are inspired every day by the amazing spectrum of colors of its sea, beaches, and the city skyline. We have combined our love of this beautiful country with our passion for designing jewelry to create this handmade semi precious gemstone collection. Handmade jewelry to us means that everything we make has its own personality and character, nothing is mass produced.

Our natural organic rough semi precious gemstones are individually selected from Africa, Asia, Russia, and Brazil to make sure every item is truly unique. Every material and design are chosen with love and real passion, combining crystals and gemstones that not only are works of art but also have deep spiritual meaning.

Amazonite & Moonstone Bracelet

Moonstone is the stone of the mother moon, deep healing waters, and sacred feminine energies. It is a very protective stone. It has been used as an amulet to bring good emotion to the wearer.

Amazonite called the stone of courage and truth. It balances one's masculine/feminine energies as well as many aspects of the personality. A powerful talisman of healing and prosperity.

Raw Herkimer Diamond Necklace

The most powerful of all quartz crystals. it is called the "stone of attunement" and can be metaphysically programmed to attune one to an environment, a situation, a quality, or most anything. It is said to assist with balance on the mental, emotional and physical levels.

Freedom to express one's thoughts and feelings, and to set strong and clear boundaries, both internally as self-discipline, and externally on what one is willing to experience or in defining personal space.

Raw Herkimer diamond

Lariat necklace

Amazonite Loop

Amazonite empowers one to search the self and discover one's own truths and integrity, to move beyond fear of judgment or confrontation. It provides the freedom to express one's thoughts and feelings, and to set strong and clear boundaries, both internally as self-discipline,. It balances one's energies and is a powerful talisman of healing and prosperity.

Malachite & Silver Ball

Malachite brings a sense of playful contradiction, that reaches into its energy of transformation. Whether the transformation is demonstrated on this plane as balancing pure love and one's well-being, protection, or spiritual evolution, it brings positive transformation again and again. Its energy is always protectively gentle, though, until that last tiny push which may be needed to move one on to the next state of being.

Amethyst

Amethyst expands the higher mind and enhances one's creativity and passion. It strengthens the imagination and intuition, and refines the thinking processes. It helps in the assimilation of new ideas, putting thought into action, and brings projects to fruition. It is a talisman of focus and success. Promote calm, balance, and peace.
