

ABOUT THE NEW YORK FOUNDATION FOR THE ARTS (NYFA)

Established in 1971 as an independent organization to serve individual artists throughout the state, the mission of New York Foundation for the Arts (NYFA) is to empower emerging artists and arts organizations across all disciplines at critical stages in their creative lives and professional/organizational development. In 2009, NYFA extended their programs and services throughout the United States and the international community.

NYFA Fiscal Sponsorship is one of the oldest and most reputable programs of its kind in the country. It gives individual artists and artist-run organizations increased access to greater funding and enhances their fundraising capabilities. Fiscal sponsorship allows individual artists and emerging arts organizations in all disciplines the ability to raise funds using NYFA's tax-exempt status as a 501(c)(3)-classified organization. Under NYFA's fiscal sponsorship, artists and organizations can optimize the reach of their fundraising efforts.
