

THIS IS THE 16-OZ CONTAINER
THAT NEEDS A SIDE LABEL.

THE UPPER CIRCUMFERENCE JUST BELOW THE GROOVES
IS 13" AND THE LOWEST CIRCUMFERENCE IS 11"

THE LABEL SHOULD BE NO TALLER THAN $2 \frac{1}{8}$ " AND COULD
WRAP 4 - 4.5 " WIDE (ABOUT $\frac{1}{3}$ OF THE CONTAINER)

THE 8 OZ CONTAINER HAS AN
UPPER CIRCUMFERENCE OF 13"
AND LOWER CIRCUMFERENCE OF 12".

IT CAN ONLY BE 1" TALL BUT COULD WRAP UP TO
ABOUT 6 " IF NECESSARY BUT SHORTER IS BETTER.
