The most premium Quinoa Flour & Durum Wheat Semolina is crafted to perfection in Gustora's state of the art production facility. To get the perfect texture, the dough is slowly & gently extruded through bronze dies. The shapes are then dried on looms & wooden trays for 18 hours. Our Italian partners (Gustora) closely monitor the entire production process to ensure the authenticity of the recipe is preserved. Organic Farmers Co. & Gustora aim to develop products of the finest taste & quality, through use of innovative processes & ingredients.

VALUES

Organic Farmers Co.
