

option 1:

Black and white rashguard
option to add other colors as well for mixed gender

2 maybe connect
the triangle to
the shoulders
level

1. fill top of shoulders
to create a full
triangle

6. in the other
square write
perhaps write
inhale
resilience
exhale
discipline
?

3. bring the triangle
downwards instead
of upwards

4. I don't know how
deep the triangle should
go down

So I can't tell what's inside this
square - can you send me the close
up on a rectangular sleeve to see
the whole design
would you write inside

mind
body
soul
?
