SMALL GROUP TUTORING & ENRICHMENT

At PACE, we teach. PACE's iReady diagnostic and READY curriculum guides our teachers to target exactly what your child needs to learn. Our teachers engage, instruct, and excite your child to understand, enjoy and succeed in academics.

Each student's lesson plan is personalized to meet their academic need. We strengthen foundational skills and ensure students are challenged.

PACE develops independent learners by instilling positive attitudes towards learning, building academic confidence and teaching skills needed for your child to become an extraordinary student.

UPDATED 2017 REWRITTEN FOR THE COMMON CORE

Check it out, curriculum older than 2015 does not meet new standards. Visit the link below to see how PACE's READY meets all expectations.

WE TEST FOR SUCCESS 3 TIMES PER YEAR

Our academic diagnostic uses adaptive technology, similar to the SBAC, to pinpoint exact areas of needed improvement across multiple grades. Student's results are used to assign a personalized lesson plan.

PACE CREATES EXTRAORDINARY STUDENTS

Our Mastery Milestones help develop independent learners with guidelines focused on students' Behavior & Work Ethic, Common Core Foundational Concepts, and Study Skills Habits. Every 2 months a report is sent home.
