Teak Cedar Rattan

All Things Cedar
Lethbridge, AB.

Western Red Cedar

Bridges

Wishing Wells

Picnic Tables

Adirondacks

Western Red Cedar:

Cedar is an excellent choice for any outdoor structure. This is due to fiber resins that act as natural preservatives to resist insect attack, rot and decay.

Java Teak

Swings

Benches

Rockers

Pergolas

Bistro Sets

Java Teak:

Teak wood is denser than Cedar but shares a similar natural internal resin to ward off the elements making teak an enduring wood that lasts for generations.
