Testing Solutions Made Simple!

## NYC SPECIALIZED HIGH SCHOOL EXAM PREP 2017

New York City has eight specialized high schools that require taking and passing a special admissions test. These schools are among the most highly regarded high schools in the entire United States. The NEW VIEW SHSAT TESTPREP prepares students to take the NYC Specialized High Schools Admissions Test (SHSAT).

- 1** *The Bronx High School of Science*, **2** *Stuyvesant High School*, **3** *Brooklyn Technical High School*, **4** *High School of American Studies at Lehman College*, **5** *High School for Mathematics, Science and Engineering at the City College*, **6** *Queens High School for the Sciences at York College*, **7** *Staten Island Technical High School*, **8** *The Brooklyn Latin School*

Getting into one of New York City's specialized high schools is more competitive than ever. Over 25,000 NYC eighth and ninth-graders take the Specialized High School Admissions Test (SHSAT) each year, vying for about 5,500 coveted openings at eight elite high schools. New View SHSAT Test Prep emphasizes tips and techniques that will help you ace the test and broaden your choices in secondary education.

You'll learn practical tips and strategies from expert Math and English teachers. Detailed feedback on practice exams and question sets is provided during each class.

### OUR TEST PREP PROGRAMS FEATURES:

## Session Overview

To increase students' ability to perform their level best on the SHSAT or NYS Math Exams, we encourage all students to register for a minimum of two sessions. **Serious students are encouraged to register for all four sessions of the SHSAT or 2 months of the MATH Academy.**

## How can I register my child?

Visit [www.NewViewTestCenters.com](http://www.NewViewTestCenters.com) and click on **SHSAT or Math Academy**. Next, scroll down to the bottom and press "Click here to Register." Complete the form and select the sessions you want. Finally, press the **"Buy Now"** button and follow the instructions to complete your registration. **Sessions fill up fast! Once classes are full, no additional registrants will be accepted.** We recommend you register for a "minimum" of two sessions to ensure your child receives sufficient practice and preparation. Since we tailor the course to meet your child's individual needs, you may register your child for as many sessions as you'd like. We will ensure they continue to improve as the test approaches.

## How do we know your child is learning?

Diagnostic exams will be analyzed to ensure instructors help your child improve in areas of weakness and maintain a high level of performance in areas of strength. Students will receive regular targeted practice and instructors will provide students with strategies to maximize their performance on the SHSAT or NYS Math Exam. Independent practice and review will supplement at home review to maximize overall learning.
