Darla Hall was born in Indiana and now resides in Alabama. She grew up in a small town where she loved playing and watching sports. This book concept was developed in 2012 when a young boy she knew was hit by a car and broke both of his legs. She created her first team activity book as a gift for him because he loved his favorite team. Her company, In the Sports Zone (ITSZ), now has hundreds of titles available at www.inthesportszone.com.
